# FAMILY TIES

*A Publication of God's Family that meets at Berry's Chapel Church of Christ*

## **From The Southeast Corner ...**

### **Got A Stick? Got A Needle? Got A Couple Of Fish?**

#### **Devote Them To God And Watch Him Make Great Use Of Them**

God has a way of using a little and making it a lot. He has a way of using whatever talents, abilities and gifts that we offer and multiply them to meet the needs of many people. Remember the story of Moses when he was complaining that he had little power compared to the mighty Pharaoh? God asked him what he had in his hand. He took the simple stick in his hand and with it, in a mighty way, led over 2 million people to freedom. Remember Dorcas and her needle? She sewed things for others, and God used her to be a blessing to many. Remember the small lad's small lunch that Jesus used to feed a large crowd?

What could God do with a family missing a meal to feed another hungry family? What is possible with one visit, one card, or one email given to a discouraged or a Christ-seeking friend? What could result from a few people praying together about a particular problem or set-back? What did God do with a Bible correspondence course in the country of Africa? What did God do with a radio broadcast into Morocco? What did He do with our congregation last weekend as we fasted and prayed together? I can't wait to see all that He has and will do!

It is not the person with great abilities that God can use the most. It is the person that will commit themselves to God with whatever gifts and talents he or she may have that God can accomplish the greatest amount. What is in your hand? Devote it to God. Watch Him go to work and see what great things He can do.

*... To The Southeast Corner, Andy*

## ***From the Elders . . .***

This past Sunday evening provided a unique opportunity to worship God through praise, prayer and fasting. We are grateful to the congregation for providing a heart-felt outpouring of prayer requests, whether it was for personal help or on the behalf of others.

As we meet from week to week, we often do not realize the challenges or struggles that our brothers and sisters in Christ face in their daily lives. To be able to come together as a congregation and pray for each other is a powerful blessing initiated by God through His mercy, grace and love for mankind.

There are so many people in the world that do not have what we call the "basic necessities" of life – luxury might mean a meal every day, where we would consider that just natural. An opportunity was provided to contribute money to purchase food for destitute families in Honduras, and the congregation responded in a marvelous way. \$5,889 was contributed. Approximately 600 hungry Hondurans will be fed for over a week and a half because of your generosity. Thank you all for giving so freely.

An opportunity was also provided to fast on Sunday evening, but this was an individual decision and was done in privacy. There are scriptural reasons for fasting, and we encourage our members to make it a part of their life as they see fit and in honor of God and the blessings He provides us as His children.

God is truly so good in our lives and all glory and praise is His.

May we bless others this week in His service.

**12**

20 students from our youth group spent the past weekend in Gatlinburg for Winterfest. We were joined by around 12,000 other Christians that weekend as we worshipped, studied, and grew closer to God.

This year's theme was "12", and it was all about spiritual disciplines. Over the course of the weekend, we learned about 12 different spiritual disciplines that we can use to get closer to God. Through skits, songs, videos, and sermons, we learned about prayer, simplicity, meditation, study, fasting, silence, solitude, service, and other ways to connect with and better understand God.

One thought emphasized at Winterfest this year was that sometimes we feel like Sunday morning worship isn't 'doing anything' for us. In times like this, we learned, spiritual disciplines that we practice outside of the church building can help us connect when we're worshipping inside.

We also talked about how often Jesus took time to do these things. He was a busy guy, with crowds of people following him around, but he made time with God, and disciplining himself spiritually, a priority.

While there, we were challenged to make a commitment to grow in these disciplines. During our sessions, students texted in prayers and commitments that were then displayed on nine screens throughout the convention center. It was so encouraging to see thousands of young people committing to praying, studying, and meditating on God's word.

My favorite part of these trips is always the time our group gets to spend together. At night, in our cabin, we hung out and laughed together. We also talked about what we had learned and how we wanted it to change us. I'm so proud of how seriously our students took the trip, and I hope that you'll pray for them as they work to keep their new commitments to spiritual disciplines.
